Serial No.

Letter No. S/l·3. dated 1st July 1938 from the Comptroller to Govt. Re: The Pension Contribution and Provident Fund Subscription deduction from Mr Humayun Mirza.

Submitted

It is seen from the comptroller's letter x that the pension contribution of Mr Humayun Mirza has been calculated on an assumed pay of Rs 290/-, while his Provident Fund contribution has been calculated on his pay of Rs 290/-.

2) Mr Humayun Mirza has been drawing a pay of Rs 250/- with effect from 1·2·36 and the increment raising his pay to Rs 290/- in grade Rs 250 - 40/2 - 450 (would in the ordinary course) accrue on 1·2·1938. Re: question of granting this increment to Mr Humayun Mirza, reference is invited to the discussions in the CB file No. 158-37 (1) pt up. (The question was deferred).

3) It is not known how the Comptroller calculated the Pension Contribution on an assumed pay of Rs 290/-. ~~taking into account the increment of Rs 40/-, while he says that no orders were received authorising the grant of increment.~~

Submitted for perusal and instruction, ~~if any~~ if any.

5) As the officer's salary has not been raised from Rs. 250/- to Rs. 290/- from the 1st February 1938 as presumed by the Comptroller, he (the Comptroller) may be requested to recover pensionary contribution on Rs. 250/- the actual pay of the officer and not on Rs. ~~250~~ 290/-

13.8.38

6) Mr. Humayun Mirza was confirmed as Assistant Commissioner on Rs.250/- in grade Rs. 250-40/2-450 with effect from 1st February 1936, and in the ordinary course an increment of Rs.40/- would accrue from 1st February 1938. The increment, was not, however, authorised in view of the officer not having passed certain obligatory examinations (Civil Examination & Kannada Examination). The subject was also talked over in Council on 17th March 1938, when it was instructed that the question might be deferred. He is therefore shown in the Civil List as still drawing Rs.250/- only.

7) Mr. Humayun Mirza is, however, on foreign service since November 1937, and in recovering pension contribution and Provident Fund subscription from the officer, the Comptroller appears to have levied Provident Fund on a pay of Rs.250/- while the pension contribution has been calculated on an assumed pay of Rs.290/- taking into account the deferred increment also. Mr. Humayun Mirza pointed out to the Comptroller the discrepancy in the rate of pay adopted for the two purposes. The Financial Secretary has minuted that the Comptroller may be told that pension contribution need be recovered only

on a pay of Rs.250/- the actual pay under present orders.

8) Apart from the question of the particular rate of pay to be adopted for purposes of levy of contribution I feel that the question of granting the increment itself from the date of accrual may be considered now. The officer is on foreign service and it does not seem to be fair, under present circumstances, to expect him to qualify himself by passing the usual examinations here. He is employed on higher pay outside and the grant of the increment here does not involve actually any extra cost to this Government at present.

[illegible]

Letter dated 30th June 1938 from Mr. Humayun Mirza, Dewan of Banganapalle, Banganapalle to the Comptroller to the Government of Mysore, Bangalore.

I am in receipt of your D.O.No.Spl.882 of the 28th instant.

There is obviously some mistake in your taking my actual substantive pay under Government to be Rs.250/- on the 30th June, whereas since the 1st February my pensionary contribution has been enhanced to Rs.72-8-0 (Vide letter No.520 Pen. dated the 17th February from the Comptroller's Office). My actual substantive pay, therefore, must be Rs.290/- on the 30th June. Calculating on Rs.290/- at 15 5/8% my Provident Fund subscription will be Rs.45-5-0 every month. Please let me know definitely by return post the exact figure.

D.O. No. Spl. *Bangalore, dated* 1st July *1938.*

Dear Mr. Mirza,

With reference to your D.O. dated 30th June 1938, I write to inform you that pensionary contribution has been calculated on an assumed pay of Rs.290/- taking into account the increment of Rs.40/- due to you on 1st February 1938 which is expected to be sanctioned in due course. As under our rules instructions authorising the drawal of increment have to be sent to me by the Head of the Department concerned (the Revenue Commissioner in this case), and none has been received in this office so far, your pay was taken at Rs.250/- for purposes of Provident Fund subscription as it has to be based on the actual pay drawn on 30th June 1938.

Yours sincerely.
